Do brainraising activities next summer and ride with Learny on a Virtual\* Bike Trip

## Works with Any Summer Reading or Achievement Program for Students K-8 Including:

**Summer Bridge Activities™ Workbooks, Summer Vacation™ Workbooks, Books that You Purchase, Library Reading Programs, The Brain Teaser Game™, School Programs for their Student's Summer Vacation**

### How Does the Program Work?

- \* Uses Internet or U.S. Postal Service to keep us updated.
- Receive your number to wear on the back of your virtual shirt. Only parents and teacher (if you want them) know your number. No names are allowed for privacy reasons.
- Every weekday during the summer spend a minimum of 30 minutes on learning or reading.
- Go to our website and log-in daily or mail back the forms that we will give you.
- Tell us how many minutes you spent learning daily or weekly.
- Receive directions of where you are on the laminated map we will send you.
- Make it to the finish line to be a part of our prize drawing. Everyone receives completion certificate.

### How Do My Students Benefit?

- Students who work during the summer on academics that maintain or improve skills will want to work hard to be able to be on the Trek.
- All students receive 11"x 17" laminated U.S. map.
- Students will visit and learn about different states and regions while collecting points.
- All students will be eligible to win prizes if they finish the trek.

**Cost— Starting at \$4.00 for the Summer**

### What is Edugeeks?

Edugeeks is an educational service company started by retired teachers who want to help students and parents by finding exceptional resources. They have books for parents, workbooks, software, toys and gizmos, and other learning aides for students. Their mission is to increase success, achievement, and love of learning.
